NOV 28 2011

Dear Reader:

The Bureau of Land Management (BLM) Sierra Front Field Office (SFFO) has made available for public review and comment the *Carson City Land Conveyance Environmental Assessment* (EA) (DOI-BLM-NV-C020-2011-0518-EA). Hard copies of the EA and supporting documents are available at the Carson City District Office. The EA and supporting maps may also be viewed on-line at:
http://www.blm.gov/nv/st/en/fo/carson_city_field/blm_information/nepa.html.

The EA analyzes the potential direct, indirect and cumulative effects to the human environment from the mandated conveyance of certain federal lands to the Carson City Consolidated Municipality, in accordance with Section 2601(b) of the Omnibus Public Lands Management Act of 2009 (OPLMA). Under OPLMA, approximately 3,604 acres of BLM-managed lands identified as Silver Saddle Ranch and Carson River Area, and 1,848 acres of other BLM-managed lands would be conveyed to Carson City for parks and public purposes. This non-discretionary action to convey federal lands would be subject to conditions outlined under OPLMA and a conservation easement.

The *Carson City Land Conveyance EA* is available for public review and comment until December 27, 2011. Interested individuals can send written comments to the Carson City District Office, 5665 Morgan Mill Road, Carson City, Nevada 89701 attn: JoAnn Hufnagle, Sierra Front Field Office, or email comments to: jhufnagl@blm.gov.

If you have questions on this matter, please contact JoAnn Hufnagle, Lead Realty Specialist at: (775) 885-6000.

Sincerely,

Bryan Hockett
Acting Field Manager
Sierra Front Field Office
