Encroachment Action Plan

Main Partner – Churchill County

Perpetual non-development easements purchased by year:

	FY06	534 ac
	FY07	160 ac
	FY08	844 ac
	FY09	796 ac
Proposed	FY10	1500 ac

Encroachment Challenges

- ◆ **Limited funds:** as other bases encroachment programs mature, projects compete for funds
- ◆ **Renewable energy projects:** 3 geothermal plants are proposed in Dixie Valley, more plants are expected and may impact training
- ◆ **Natural resource competition:** 2008 Truckee River Operating Agreement reduces surface water deliveries to Newlands project impacting community and base
- ◆ **Limited ranges:** SEAL Training Groups 1 & 2 are being forced to relocate Fallon due to limited range access
- ◆ **Aircraft noise:** F-35 affects to AICUZ and RAICUZ
