---

# Recently Completed and Ongoing Actions

# Sagelands Collaboration

- Collaboration group developing projects to effectively address identified sagebrush ecosystem and sage grouse habitat challenges
- Goal - Prevent future habitat loss/fragmentation, rehabilitate current critical habitat areas, and provide analysis of current populations
  - Conservation easements in critical areas
  - Habitat restoration
  - Research for current sage-grouse populations
- Long term objective - monitor project's efforts and fine tune future conservation efforts
- NAS Fallon awarded REPI Challenge ~\$2.1M total
- Planning and investment intended for 5-10 years

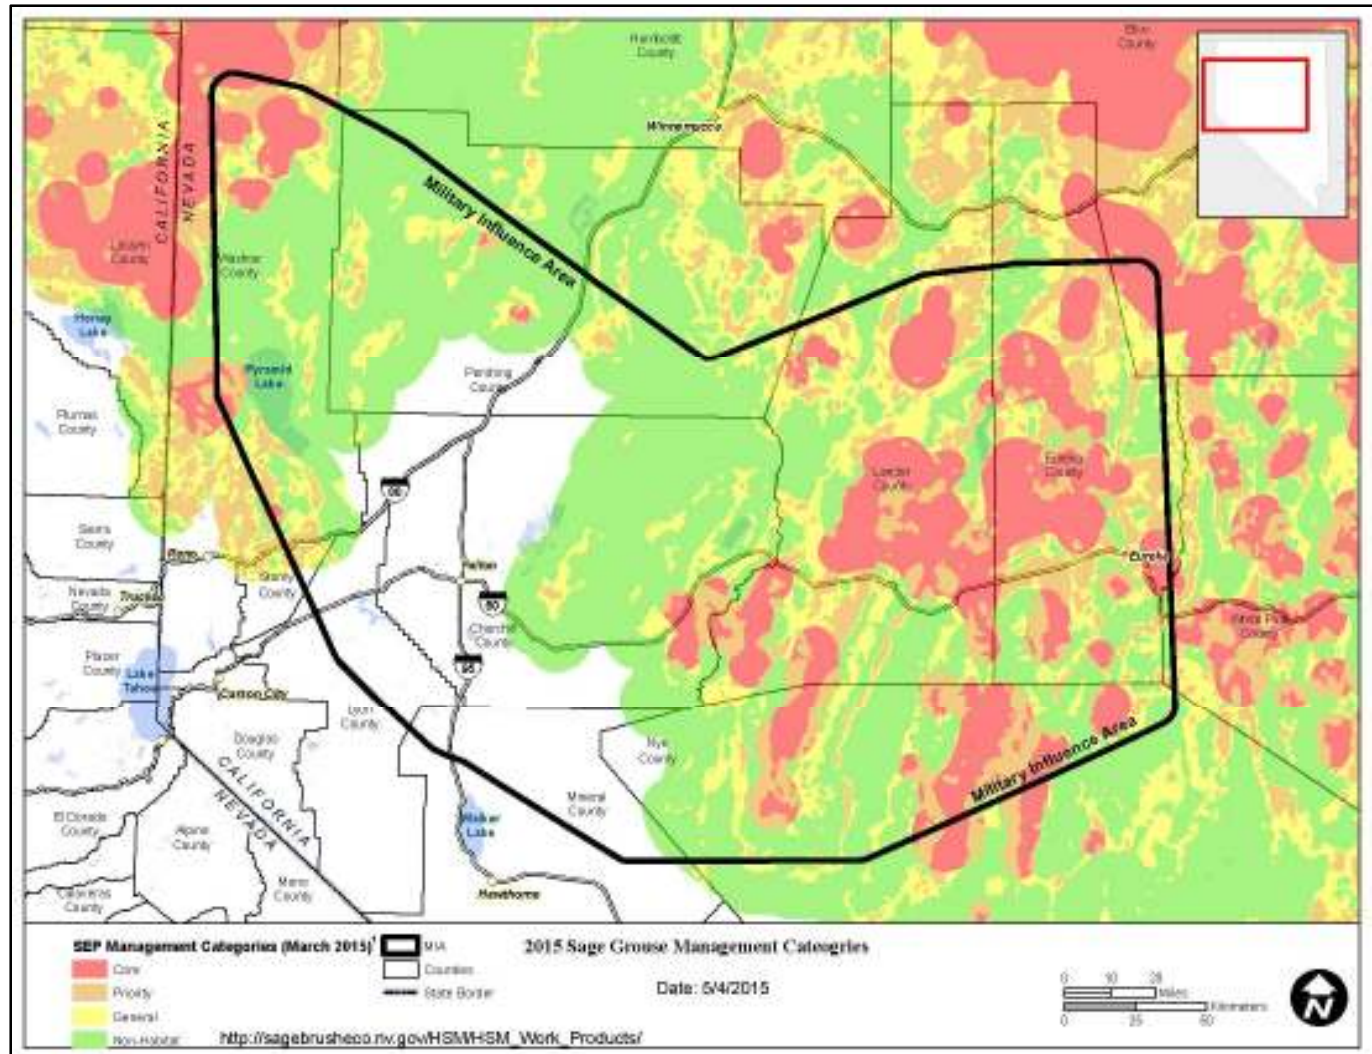

# Sagelands Project Area

Cooperative effort between:

- Nevada Department of Wildlife
- Nevada Land Trust
- The Nature Conservancy
- Nevada Conservation Districts Program
- USDA Natural Resource Conservation Service
- Bureau of Land Management
- Department of the Navy

# Joint Land Use Study

- Study petitioned by Churchill County in 2012
  - Goal – maintain compatible land use between military operations and public in maximizing utilization by stakeholders
- Stakeholders identified 76 issues / concerns
- Final Study completed in May 2015
- Next phase – Implementation
  - Churchill County and NAS Fallon are working together to codify recommendations into the 2015 Churchill County Master Plan and county code
  - NASF is increasing cooperation with state and federal agencies with concerns on the FRTC

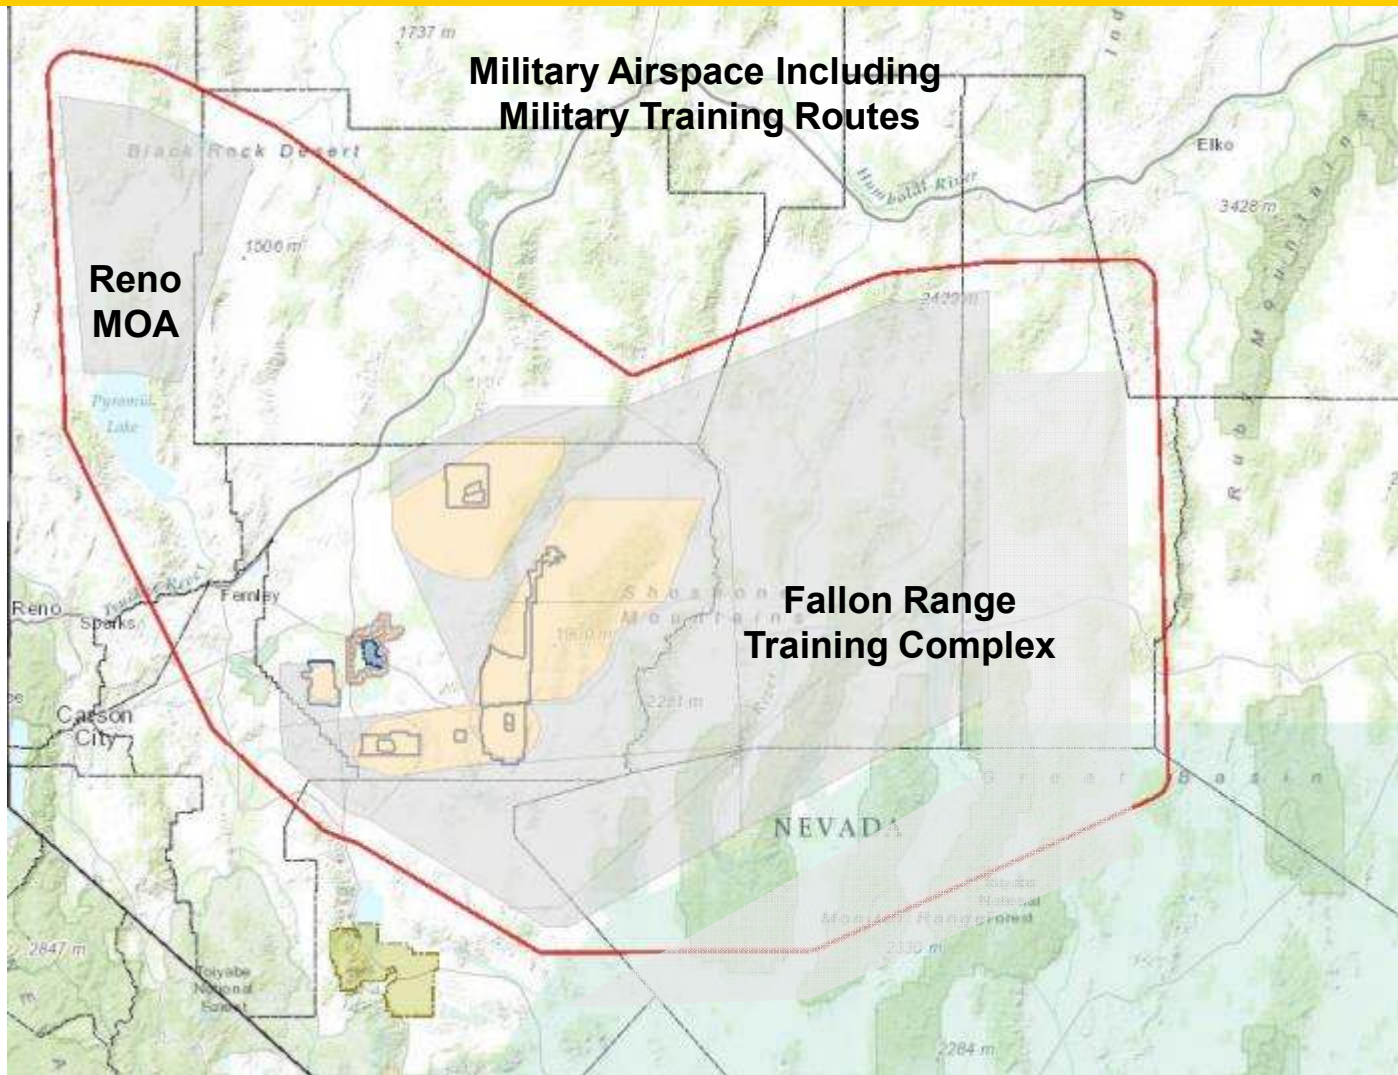

# Fallon Range Training Complex EIS

- Response to public comments on the Draft is underway – while producing Final EIS (FEIS)
- Internal Navy and BLM technical reviews coming in August and September
- Navy approval briefings planned for October
- FEIS Notice of Availability in November
- Draft EIS available for review at
  - [www.FRTCEIS.com](http://www.FRTCEIS.com)

# NAS Fallon Training Complex

---

# Upcoming Projects

# Military Housing Redevelopment

- NAS Fallon maintains 230 housing units via a Public-Private Venture (Lincoln-Clarke Housing)
  - Housing was constructed in 1960s, 1970s and 1990s
  - Majority of housing is outdated, energy inefficient and suffering from infrastructure decay
  - PPV will reconstruct 123 units and renovate 80
  - Project anticipate to commence Summer 2015 and be completed in two-to-three years

# Military Housing Redevelopment

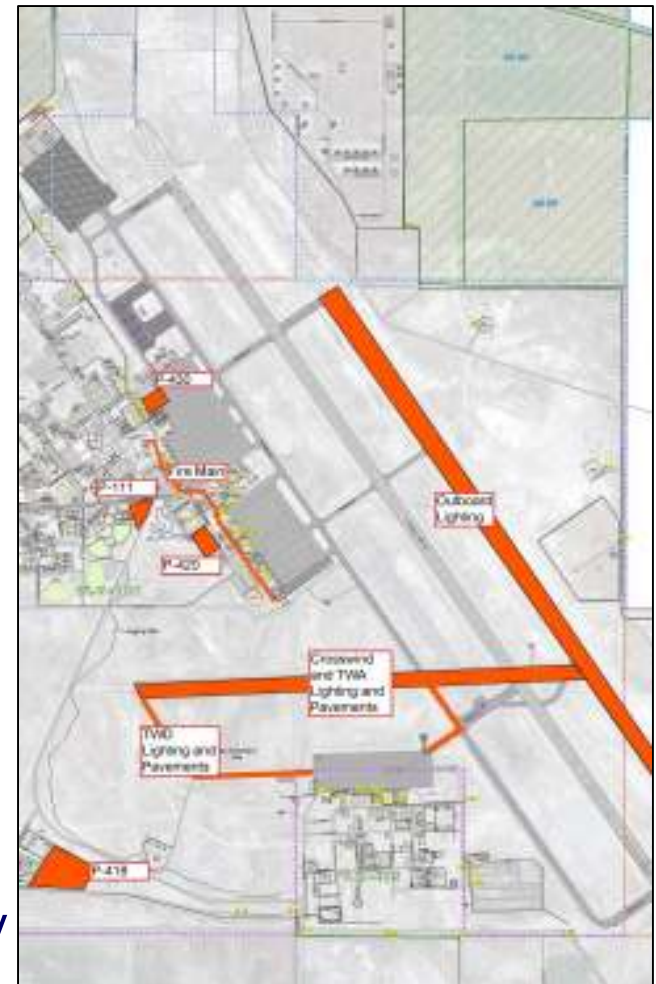

*"Nevada's Carrier in the Desert"*

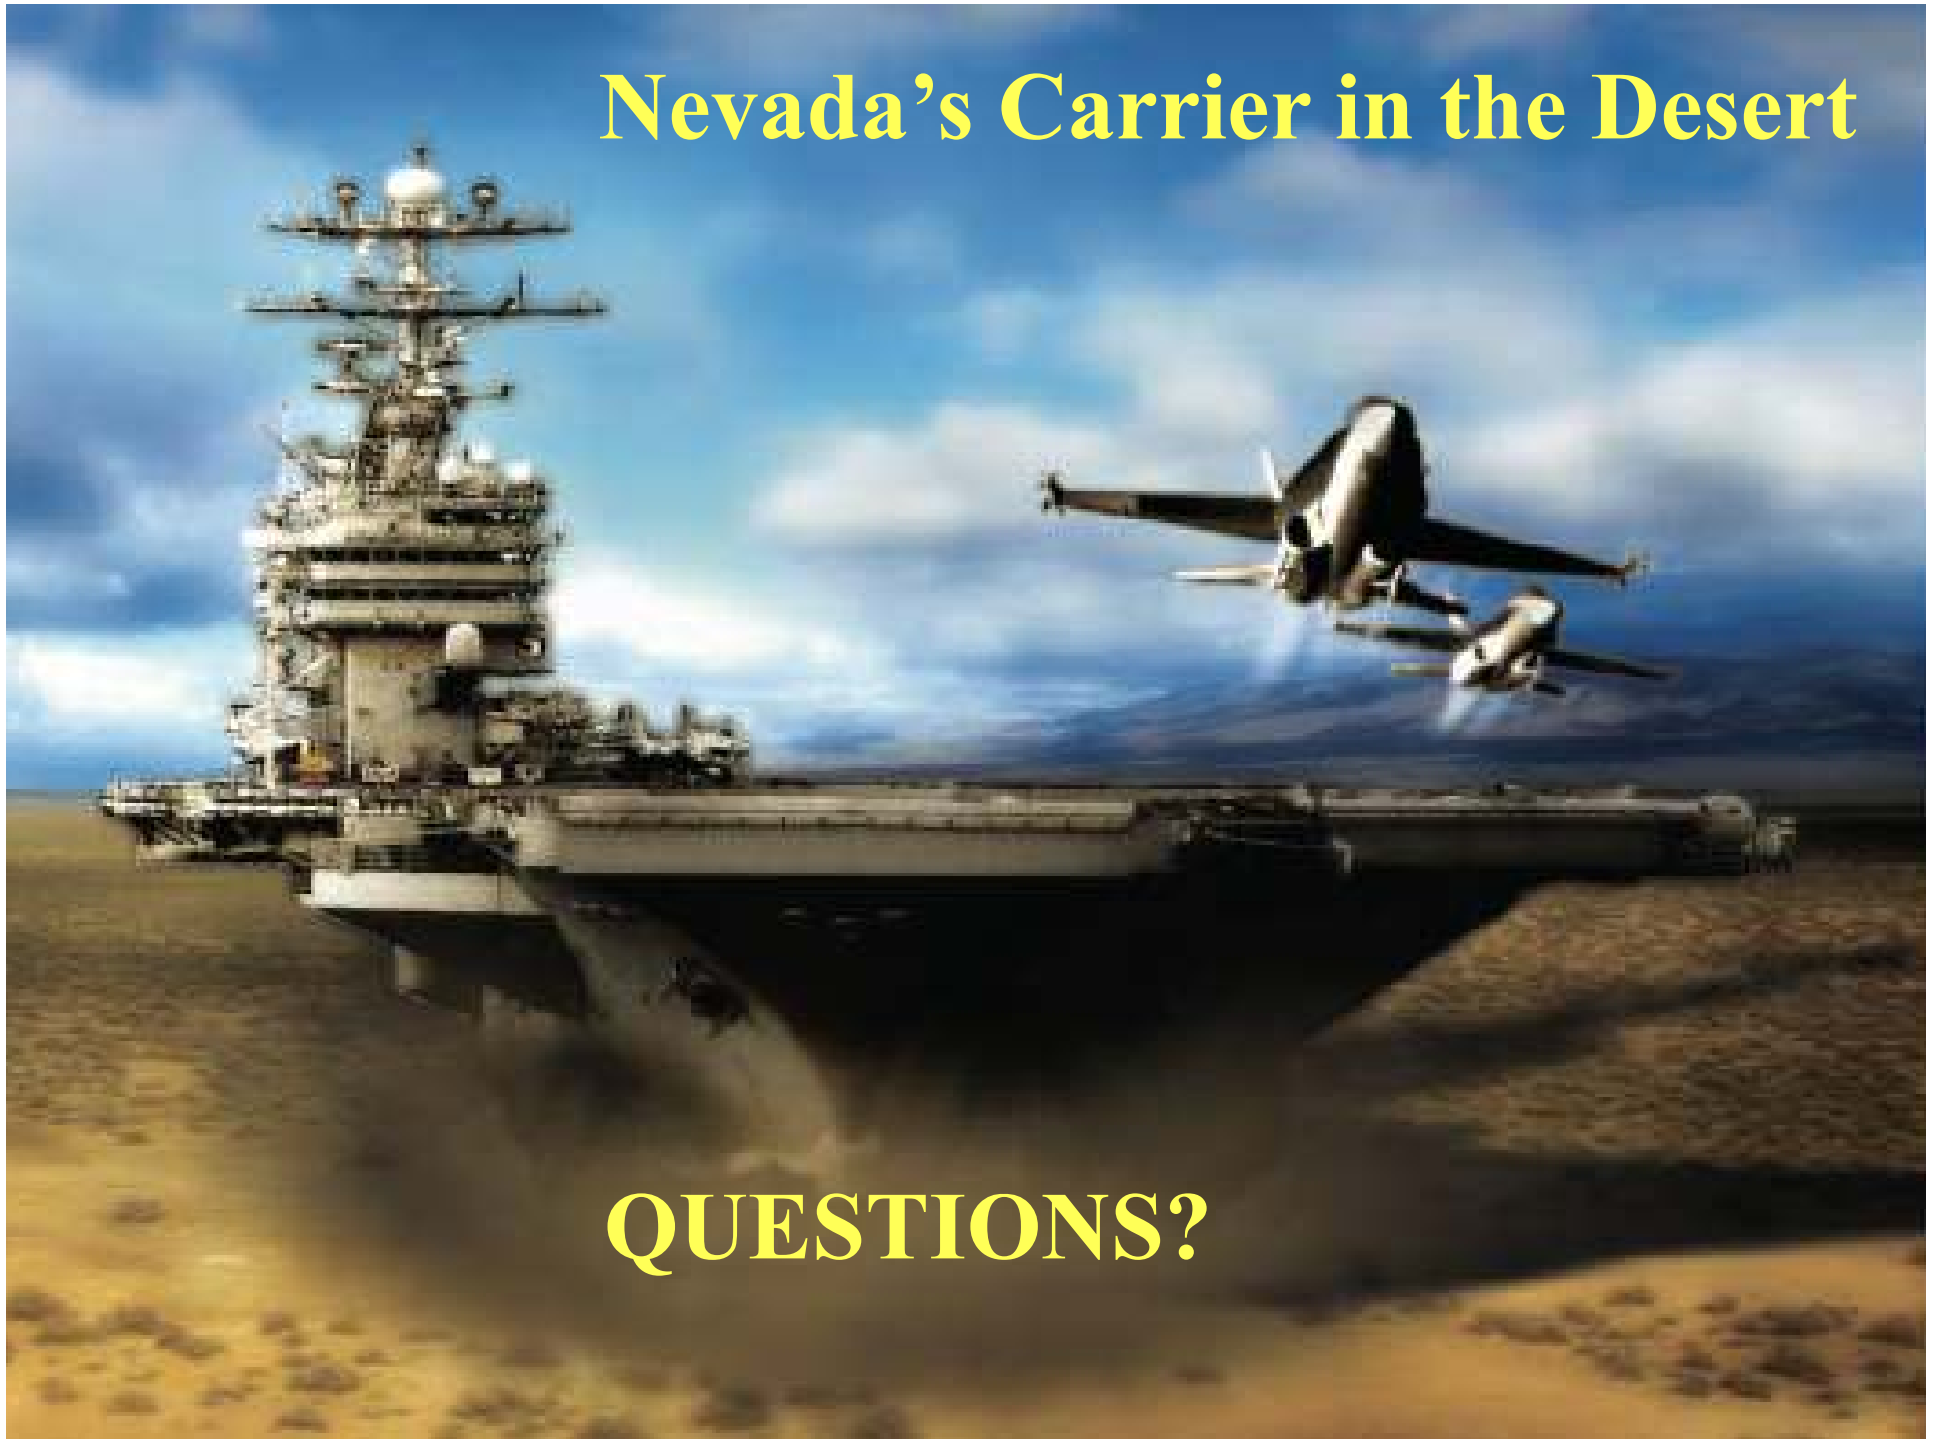

# Construction and Repair

- MILCON Construction
  - P-430 Hangar Alteration for the F-35 Training Mission
  - P-420 Integrated Air Wing Training Facility
  - P-418 Tactical Ground Mobility Training
  - P-111 Reno NOSC
- Special Projects
  - Repair Lighting Outboard Runway (FY14)
  - Repair Lighting Inboard Runway (FY15)
  - Repair Lighting Crosswind Runway (FY16)
  - Repair Pavements Crosswind Runway and Taxiway Alpha (FY16)
  - Repair Pavements and Lighting on Taxiway Delta (FY16)
