**Subject: Hutchens Family Trust – 181 kW Photovoltaic System**

Dear Coordinator:

Pursuant to the Memorandum of Understanding (MOU) between our agencies, this is to notify you that the USDA - Rural Development is in receipt of a grant/loan combo request for the purchase and installation of a 181 kW Photovoltaic System. Our agency's involvement would involve grant & possible loan funding for a maximum of 75% of the total project cost. The solar system will be located in Lander County in the Reese River Valley, southwest of Austin, Nevada .

Attached are maps and photos showing the location of the proposed project.

Unless the Clearinghouse Coordinator advises us otherwise, within fourteen days of this notice, we will assume that the final Clearinghouse comments will not be forthcoming and, therefore, the State Clearinghouse responsibilities of USDA - Rural Development will have been satisfied.

If you have questions or need additional information, please contact me at 775-887-1222, ext. 20.

Sincerely,

Michelle Kelly  
Business and Cooperative Specialist
