

Humboldt-Toiyabe National Forest Geothermal Leasing Project

The Forest Service is preparing an Environmental Impact Statement (EIS) for the Humboldt-Toiyabe Geothermal Leasing Project, which will evaluate the suitability of geothermal leasing on four Ranger Districts. Please visit the project web site for more information at www.fs.usda.gov/goto/htnfg/geothermal.

The forest is inviting public comments during the current scoping period, ending May 31, 2011. You are invited to attend a public meeting where you can learn more about the project and submit comments. The meetings will be in open house format. Come by anytime between 6 and 8 p.m.
