

## PUBLIC INFORMATION MEETING NOTICE:

### STATE ROUTE 160 (BLUE DIAMOND ROAD)

*From Red Rock Canyon Road (SR 159) to Mountain Springs*

Follow Us!

The Nevada Department of Transportation (NDOT), in cooperation with the Federal Highway Administration (FHWA) will conduct a public information meeting to receive input on the environmental phase for State Route 160, also known as Blue Diamond Road, between State Route 159 to Mountain Springs. NDOT is seeking to make improvements on this stretch of highway, and we need your input as we move forward with the environmental phase associated with the preliminary design. The environmental phase weighs proposed improvements against the potential impacts they may have on the surrounding area.

In compliance with the National Environmental Policy Act (NEPA) of 1969, NDOT is continuing its assessment of the proposed project's potential environmental impacts. This notice is to inform the public of the study and to solicit comments concerning the project. The purpose of the project is to improve operational efficiency and safety in response to existing and proposed development.

NDOT is seeking your feedback regarding this important project. Please attend our public information meeting to let us know what you think about improving this highway.

**Thursday, March 29, 2012**
