

Clark County has received requests to nominate two parcels of Bureau of Land Management (BLM) property for privatization. PLEASE SEE ATTACHED MAPS FOR VISUAL REPRESENTATIONS OF THE PARCELS.

Parcel #1: Portion of APN 177-14-801-021. This is a 3.75 acre portion of the 20 acre parcel located on the northeast corner of Pebble and Spencer. The bulk of the 20 acre parcel (i.e., 15 acres) has been leased by the BLM to the Clark County School District.

Parcel #2: Portion of APN 177-32-101-001. This is a five acre portion of the 26.59 acre BLM parcel on the southeast corner of Cactus and Dean Martin Drive. The remaining 21.59 acres is available for reservation if a public purpose use is needed in this general vicinity.

I am sending this notification to determine if either of these parcels are needed for public purpose use.

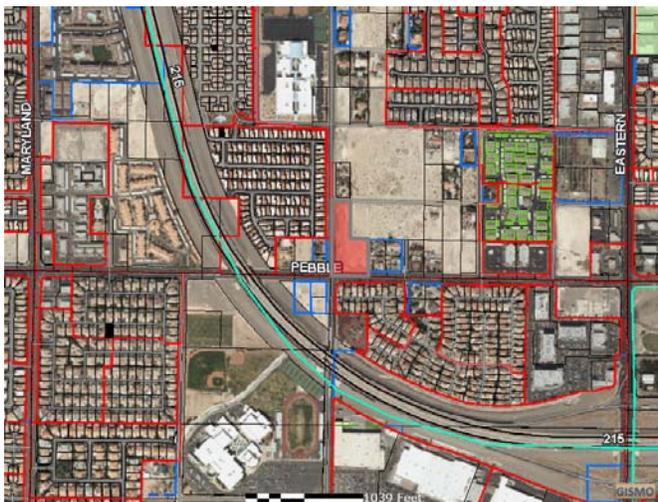

If your Department/Agency needs either of the two parcels for public purpose use, please notify me by the DEADLINE OF 5:00 PM, FRIDAY, MARCH 23, 2012 and I will withdraw the parcel from sale consideration. Once withdrawn, the parcel will be added to the Clark County Reservation List maintained by the BLM. Please be aware that once reserved, your Department/Agency will have a maximum of five years to encumber the land via Recreation and Public Purpose Lease or issuance of a right-of-way by the BLM.

THERE IS NO NEED TO RESPOND TO THIS E-MAIL IF YOU DO NOT NEED EITHER PARCEL FOR PUBLIC PURPOSE USE.

Always feel free to contact me if you have questions regarding this request. Thanks!! Ron
