

Working in the Water?

Learn what Aquatic Invasive Species are present in Nevada and what you can do to prevent their spread.

Nevada Division of Environmental Protection is offering an hour-long workshop on aquatic invasive species (AIS) in Nevada. The workshop will include:

- Introduction to AIS in Nevada
- Effects of AIS on aquatic ecosystems
- Transport of AIS
- Decontamination

Date: 26 February 2013

Time: 11 AM

Location: 5th Floor Training Center, Bryan Building

Please RSVP attendance or questions to
