- The mitigation grants process in Nevada
- Tips for successful FEMA mitigation grant applications

SUGGESTED ATTENDEES

- Local grant writing staff
- Fire department personnel in charge of fire prevention/protection
- Local public works staff – for example, water and sewer utilities, capital projects, storm drainage, engineering, design, landfill, etc.
- Transportation and road dept. personnel
- Building inspectors, planners, and floodplain managers

The workshop is free. The attendee is responsible for any travel costs incurred to attend the workshop.

**Governmental, non-profit, and GID staff are welcome.** Please return the attached completed form to Karen Johnson, Nevada DEM, by E-Mail: [kijohnson@dps.state.nv.us](mailto:kijohnson@dps.state.nv.us) or by Fax: 775-687-0323.

Note: These funding sources for the upcoming grants come from FEMA, and though not available yet, the grant application period is expected to open in August for a very short 1 or 2 months. This workshop will help the grantee prepare for the application.
