

BLM Seeks Public Comment on Final Bristlecone and Goshute Canyon Wilderness Management Plan

The Bureau of Land Management (BLM) Ely District is asking the public to review and provide comment on the Final Bristlecone and Goshute Canyon Wilderness Management Plan and Environmental Assessment (EA). The deadline to provide comment is **Friday, Nov. 7, 2014**.

The BLM is preparing a single management plan for the two wilderness areas because of their proximity and similarity of issues. The plan provides the BLM primary guidance on all decisions affecting the wilderness and establishes management practices that will maintain and protect their values for this and future generations.

The Final Bristlecone and Goshute Canyon Wilderness Management Plan and EA is available online at <http://on.doi.gov/1tulnuY>. A paper version or compact disc can be obtained by contacting BLM Ely District Wilderness Planner Gus Malon at 775-293-5863 or smalon@blm.gov.

Interested individuals should address all written comments to the BLM Ely District Office, HC 33 Box 33500, Ely, NV 89301, Attn: Gus Malon or fax them to Malon at (775) 289-1910. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment – including your personal identifying information – may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

For more information, contact Gus Malon, BLM Ely District wilderness planner, at 775-293-5863 or smalon@blm.gov.
