Subject: Ely Shoshone Tribe – Construction of a Multi-Justice Building

Dear Coordinator:

Pursuant to the Memorandum of Understanding (MOU) between our agencies, this is to notify you that the USDA - Rural Development anticipates a request for financial assistance from the Ely Shoshone Tribe for the construction of a Multi-Justice Building. The proposed project is to expand and consolidate their existing facilities to house their Law Enforcement and Judicial services in one building to be located at 101 Heritage Drive, Ely, Nevada. The Tribe's Law Enforcement services are currently being run out of the existing 1,260 square foot, single-story, slab-on-grade building that was formerly a retail laundromat and smoke shop. The proposed project would consist of an expansion to the existing facility on Heritage Drive which includes approximately 1,480 square feet of new construction, for a combined total of 2,940 square feet for the entire facility. The area is all previously disturbed.

Attached are maps and photos showing the location of the proposed project.

Unless the Clearinghouse Coordinator advises us otherwise, within 30 days of this notice, we will assume that the final Clearinghouse comments will not be forthcoming and, therefore, the State Clearinghouse responsibilities of USDA - Rural Development will have been satisfied.

If you have questions or need additional information, please contact me at 775-887-1222, ext. 114 or by email at [Lisa.Goodfellow@nv.usda.gov](mailto:Lisa.Goodfellow@nv.usda.gov).

Sincerely,
