Washoe County Economic Development and Conservation Act (09/09/2016)

Washoe County has included you and/or your organization as an interested "stakeholder" regarding a comprehensive federal lands bill being proposed for Washoe County. The purpose of this memo is to alert you to the fact that a draft bill is being worked on and to invite you to learn more by visiting our dedicated web-page at:

https://www.washoecounty.us/csd/planning_and_development/conservation-act.php

The Washoe County Commission reviewed the information you will find on our web-page at a meeting in August and gave staff direction to work with our congressional delegation on the draft legislation and to begin a stakeholder outreach effort as a part of a transparent and open process. To kick-off this outreach, the County has scheduled two public open houses for this month where you will be able to view maps, ask questions and give your written input to staff. Following the open houses, stakeholder groups can also request to meet one-on-one with staff to discuss the proposed legislation and their specific issues. To request a meeting and/or to send us correspondence, please contact staff member Kathy Emerson at:

kemerson@washoecounty.us

Both Open Houses will be held in the atrium of the Washoe County Administrative Complex (1001 E. 9th Street, Reno, Nevada 89512) on:

Friday, September 16, 2016 from 1:00 p.m. to 3:00 p.m.

and

Monday, September 19, 2016 from 4:00 p.m. to 6:30 p.m.

Sincerely,

A handwritten signature in black ink that reads "Bill Whitney".
