The BLM, Elko District, is analyzing the impacts of offering for lease 86 parcels in the Elko District, totaling approximately 159,424.2 acres currently proposed for oil and gas leasing in a state-wide competitive lease sale in March, 2017 (see enclosed map). Over 915,784.640 acres were nominated by industry for the March 2017 Oil and Gas Lease Sale. Of those 915,784.640 acres nominated by industry, BLM adjudicated (processed) and evaluated 159,424.2 acres.

The parcels are located in the following areas; Pinion Range, Grindstone Mountain, South Fork Reservoir, Dixie Flats, Garcia Flats, Ruby Valley and Diamond Range areas. The parcels offered for lease by the Elko District, BLM are within areas covered by the 1987 Elko Resource Management Plan (RMP), the 1986 Wells Management Plan and all are designated as open to leasing. More detailed map(s) of the parcels are available upon request to the Elko District. These offered parcels amount to approximately 0.7 percent of public lands in the EDO.

Enclosed are the list of parcels and maps illustrating the location of the proposed parcels.

This Project proposal will be analyzed in an environmental assessment (EA) as required by the National Environmental Policy Act (NEPA) and BLM policy. To aid the BLM with their environmental analysis, we are accepting any input, recommendations and concerns you may have with this proposal.

Written comments should be submitted by close of business on October 5, 2016 and should be sent to March 2017 Oil & Gas Lease Sale Project Coordinator, Bureau of Land Management, 3900 E Idaho Street, Elko, NV 89801-4611. Comments will be used to guide the preparation of an Environmental Assessment, which will analyze the proposed action for potential impacts and address issues and concerns. Questions concerning this project should be addressed to Tom Schmidt at the above address or by phone at (775) 753-0200 or by email at tschmidt@blm.gov.

Sincerely,

/S/ Melanie Peterson
