

GRANTS AVAILABLE

National Endowment for the Humanities

Digital Projects for the Public

<http://www.grants.gov/web/grants/view-opportunity.html?oppld=303766>

The Digital Projects for the Public program supports projects that interpret and analyze humanities content in primarily digital platforms and formats, such as websites, mobile applications and tours, interactive touch screens and kiosks, games, and virtual environments.

Research and Development

<http://www.grants.gov/web/grants/view-opportunity.html?oppld=303693>

The Research and Development program supports projects that address major challenges in preserving or providing access to humanities collections and resources. These challenges include the need to find better ways to preserve materials of critical importance to the nation's cultural heritage—from fragile artifacts and manuscripts to analog recordings and digital assets subject to technological obsolescence—and to develop advanced modes of organizing, searching, discovering, and using such materials.

Digital Humanities Advancement

<http://www.grants.gov/web/grants/view-opportunity.html?oppld=303678>

Digital Humanities Advancement Grants (DHAG) support digital projects throughout their lifecycles, from early start-up phases through implementation and long-term sustainability.
