JUL 20 2020

Dear Interested Public,

In keeping with the Administration's goal of promoting American energy independence, the Bureau of Land Management will offer 14 proposed lease sale parcels (approximately 16,600 acres) on December 8, 2020. All parcels are located in Tonopah Field Office, Battle Mountain District. This notice initiates a public comment period on associated environmental documents that opens on July 20, 2020 and closes on August 20, 2020. The BLM will hold the lease sale online at www.energynet.com.

Responsible energy development includes thoughtful consideration of parcels nominated for leasing as well as potential resource impacts of decisions to lease. An additional environmental review will take place during processing of an Application for Permit to Drill, when site-specific Conditions of Approval will be placed on the permit in addition to the stipulations attached to the lease.

The EA can be viewed on the BLM NEPA Register website, using Chrome, Edge, Safari, or Firefox, at: <https://go.usa.gov/xFTsD>. Written comments will be accepted until August 20, 2020 and can be submitted online at the NEPA Register site; mailed to the BLM Tonopah Field Office at P.O. Box 911, Tonopah, NV 89049; or emailed to: BLM_NV_BMDO_TFO_NonRenewable@blm.gov.

Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service (FRS) at 1-800-877-8339 to leave a message or question. The FRS is available 24 hours a day, seven days a week. Replies are provided during normal business hours. If you would prefer to receive these notices via email in the future, please let us know by emailing to the address above.

The oil and gas industry on public lands in Nevada contributed \$3.1 million in total economic output in FY2019. Continuous exploration, development, and site restoration is required to sustain production rates, jobs, income and royalties.

If you have questions you may contact Jess Harvey, Public Affairs Specialist for the Battle Mountain District at (775) 635-4054.

Sincerely,

Perry B. Wickham
Field Manager
