## BLM Ely District accepting SRP applications for 2021

**ELY, Nev.** – The Bureau of Land Management (BLM) Ely District is accepting Special Recreation Permit (SRP) applications to fill the two Truck/Buggy/Off-highway Vehicle event slots for calendar year 2021. The District's Caliente Field Office must receive applications by 4:30 p.m. PST, **August 10, 2020**.

The Caliente Field Office will conduct a lottery drawing at 2 p.m., August 12, 2020. The lottery will not be necessary if the field office receives two or fewer applications. The lottery serves only to reserve the event slot. Final authorization of an event is contingent upon submission of other required materials and approval by the authorized officer. Applications are limited to one promoter/club per year. No fees are required at this time.

To apply for the 2021 Truck/Buggy/OHV event slots, download and complete the SRP application available at <https://go.usa.gov/xf58t> and return to the BLM Caliente Field Office, PO Box 237, 1400 South Front Street Caliente, NV 89008 Attn: Elizabeth Domina or fax it to Domina at 775-726-8111. Due to COVID 19, applications will not be accepted in-person at the Caliente Field Office, 1400 South Front Street, in Caliente.

For more information, contact Elizabeth Domina, BLM Caliente Field Office outdoor recreation planner, at 775-726-8116 or [edomina@blm.gov](mailto:edomina@blm.gov)

*The BLM manages more than 245 million acres of public land located primarily in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. In fiscal year 2018, the diverse activities authorized on BLM-managed lands generated \$105 billion in economic output across the country. This economic activity supported 471,000 jobs and contributed substantial revenue to the U.S. Treasury and state governments, mostly through royalties on minerals.*
